

Luminous tree towers over shoppers at Times Square

THE spirit of Christmas is in the air at the Penang Times Square in George Town as a 20m-tall festive tree has been put up at its open plaza to welcome shoppers.

The tree has been decked with hundreds of miniature bulbs, thus creating an impressive backdrop for shoppers to have their pictures snapped.

During the Christmas tree lighting ceremony on Wednesday, kindergarten students sang Christmas carols and danced to entertain the crowd.

Santa Claus also gave out goodies to children and shoppers.

Launching the ceremony were state executive councillor Phee Boon Poh, Komtar assemblyman Ng Wei Aik, Ivory Properties Group executive director Datuik Seri Nazir Ariff and Ivory Properties Sdn Bhd executive director Ron Loh.
