Children from shelter feted

GEORGE TOWN: Twenty underprivileged children from Shan Children's Home Association were treated to goodies in conjunction with Christmas celebrations courtesy of Ivorycares, the charitable arm of Ivory Properties Group, recently.

The home shelters children aged six to 18.

Located in Mount Erskine, the home was established in 2008, when a piece of land was donated by the Bodhi Heart Sanctuary, a non-sectarian Buddhist society.

A philanthropist supported the construction of the home.

At the Christmas party, the chil-

dren were presented with school uniforms and shoes to meet their needs for the next school term.

Santa Claus was also present to spread cheer among the children who were treated to lots of food and drinks.

The home's executive administrator Dr S. Poornachandran said the cost of maintaining the home came to about RM10,000 monthly. He appealed to well-wishers to adopt a child at RM500 a month to help manage its day-to-day expenses.

Those who wish to help can call Dr Poornachandran at 016-412 7711. —
