

New fast food chain outlet

By Paul Toh

WITH over 300 outlets locally and abroad, Malaysia's own fast food chain franchise Marrybrown is not resting on its laurels. It recently cemented its presence in Penang with the launch of its latest addition at Times Square.

It has another outlet at Bukit Gambier's Ivory Plaza.

Ivory Properties executive director Datuk Seri Nazir Ariff, founder of Marrybrown Properties Group of Companies Lawrence Liew, state Exco for Domestic Trade and Consumer Affairs Abdul Malik Abul Kassim and Marrybrown ambassador and celebrity Mawi participated in the release of colourful helium-filled balloons featuring the Marrybrown logo and a ribbon-cutting ceremony at the outlet.

Earlier, in his speech, Nazir said Ivory Properties' first attempt in the food and beverage business with the Marrybrown chain has been an interesting and challeng-

ing experience.

Founded in 1981, Marrybrown offers an array of affordable meals in a friendly and comfortable environment.
